50¢ NON-RESIDENTS

PUBLISHED BY THE BOYNTON LEISUREVILLE COMMUNITY ASSOCIATION, INC. MARCH 2020

Congratulations, New Board!

President's Message

Wow! What an election, a record turnout. We had 477 residents vote, 54% of the eligible votes. Leisureville residents care about their community.

We had great candidates and a lot of residents participated. I want to thank Board Members Bob Robledo, Linda Nelson and Belle Ahlering for all their work. It was a pleasure working with them the last two years.

The election is over and it is time to get back to living as a united community. We have lots of work to do. We want to thank as many people as possible to join us in building this community. We have so many wonderful opportunities for volunteers and more are coming.

I have met and worked with so many of our residents the last two years. Our community is an unbelievable wealth of talented hard-working people. If we work together, we will continue to be a strong and vibrant community.

The Board is planning on starting a series of Town Hall meetings. We are encouraging everyone to participate. I am looking forward to an exciting year as President and working with our new Board. I believe they are going to bring a new energy and creativity to benefit the entire community.

COME TO BOARD MEETINGS, VOLUNTEER AND PARTICIPATE.

Howard Weisberg
President

What makes me so different?
Why have so many sold their homes with me?

- A savings of about $2,000 on average when selling your home
- My listings sold on average for 98.2% of the asking price and in only 19 days*
- 51% of my listings sold in less than 7 days*
- Professionally staged and photographed listings at my expense

I am a professional. I love Leisureville. I will not let you down!

SEE WHAT MY CLIENTS ARE SAYING

"When I made the decision to sell my home …I called upon Stacey. That is one decision that I will never regret. I never knew a Realtor could be so honorable, knowledgeable, caring and professional . His listing of my home was truly exceptional with my home, the clubhouse and the community all beautifully professionally photographed (at his expense) - even with drone shots from above all while saving me about $2,000 in sales expenses compared to most of the regular agents who sell in Leisureville. All during the process, Stacey was there for me.

He gave me updates at least every other day and in some cases every day. He was there for every appointment to show the house, as well as the community, clubhouse, pool etc. .
To say I was pleased with his performance would be such an understatement
Thanks Stacey !!!"

Celebrating 40 years

Time to sell those tickets. Please remember, the show, ***"A Walk On The Wildside,"*** is on Saturday, April 4, at 7:30 PM, and Sunday, April 5, matinee at 2:00 PM. Ticket sellers will be available in the clubhouse lobby during the morning daily hours 9:30-11:30 AM beginning after the Flea Market in very early March and prior or during most other big events. You may also call our Treasurer, Annie Campagna @ 561-413-5799 or 914-907-7308.

It is nice to know that people have already been asking to buy tickets. With only two performances, I want to see a full "Sold Out" house both times. As usual, I have charged each cast and crew member to try to sell at least 20 tickets. Also, it is very important that the spirit and excitement continue and be conveyed to all the residents. A lot of work is being done and a lot of money and effort is being expended. It is being done for what I think is a great show. We have had cast members even ask for additional rehearsals. So, let us all get out there, spread the word... And sell those tickets!!!

We have been having great rehearsals for the spring show. Things are moving along very quickly. Even though there are still rewrites going on, (but now dwindling down to a precious few) and as I usually say, "nothing is set in stone until the last week, and/or the program has been printed" we rehearse in the Recreation Center. On Thursday evenings and Sunday afternoons as well, and, as you read this, we have already progressed on our way toward what I call this year as "March Madness." This year Easter is earlier in the calendar, so we have fewer weeks to rehearse.

I wish now also to officially thank the Entertainment Committee and Computer Club, as well as all of the other committees and clubs who are part of the BLCA family, for once again being so gracious to our Theatre Guild with their patience as we take over the Recreation Center auditorium for rehearsals. Also, it is not easy to turn half of the "auditorium" into a major theater enterprise and the other half into dressing room space. However, each year the staff of BLCA manages to accomplish that feat of magic. Thanks, again to our new Property Manager, Bill, and to Cindy, Ceecee, Billy, and all the BLCA staff for putting up with me, oops, I mean us. Some people have even accused me of being too "pushy." Now who would believe that???

Now with the new Board of Directors chosen, I wish to congratulate the Directors on their new positions, and also to offer them the chance to perform on stage in next year's show. Of course, it is already too late for next month, but I would love to have one or more Board members in the show. Congratulations, again!

I also want to give a special "shout out" to the Audio/Visual crew, Bill Hebert, Bill Waterman, and Lou Zito, for all their work helping to get the technical issues worked out for the show, and especially to Billy Merkel for all the work he did to get the new sound equipment up and ready to use. Thanks, again, Billy! Also, as usual, the Board of Directors has been instrumental with their help on the new stage additions, and general support for the Theatre Guild, including the aforementioned new sound and lighting equipment. We have several great surprises in store for this year. I am so happy that we have new cast members this year. I am so very proud of our members, new ones as well as the core members. The work is almost done from our standpoint. Now it is up to you – the theater-going public, to buy the tickets and to get your neighbors to buy their tickets. Be sure to talk it up to new residents, especially at the pool, at the card tables, the exercise room, the pool tables, and the bocci court. We have many new residents who don't even know yet that there is an annual spring production (how could they not know? Don't they read my articles and see the ads on channel 63 and in the *Leisureville Post*???) Let's all make sure that they do know now!

The theater is always kept colder than normal due to a full audience and extra stage lighting. If you are super sensitive please come prepared with long sleeves or a sweater. Also, some of our residents may be sensitive to hearing issues. The sound may be slightly louder than some of you may like. So, if you know these things ahead of time, you will not be surprised.

On Wednesday, after the show is finished, and we have a couple of days to rest, the Theatre Guild hosts the cast and crew to the annual "Actors Guild Gala." This year it is scheduled for Wednesday, April 8th, and we are planning to celebrate our 40th (ruby) anniversary. The cast and crew are given a wonderful banquet and entertainment, and awards presentations. A fun time is had by all. As of this writing, all of the expenses are paid from ticket sales and the homeowner's association does not pay for this function. Once again, Jackie Lutman has agreed to be our gala chair. Thank you, Jackie!

This Gala also serves as our "annual meeting" when the BLTG's Board, in its entirety, loses their jobs and a call is made for nominations from the floor and voted on by the membership.

At this annual meeting, the full financial report also is given by the Treasurer, and trophies and informal "fun" titles are awarded, and a new "Best Actor" and "Best Actress" will be named as the current reigning "Best Actress" Pat Mihalik, and "Best Actor" Lou Zito, will pass their titles to the new recipients for 2020. Speaking of the trophies… and all members who currently have trophies, must return them at any one of the rehearsals in March as they do get recycled. Please do not forget… thanks!

We are once again video-taping the show in its entirety. The CD's will be available for sale to anyone in the cast or crew who may wish to purchase one, and also one goes into the BLCA archives in the office for educational purposes.

I need to mention here that a former cast member, Betty Wilkins, passed away just before Christmas. She played the piano for some of our live singers for several years. She may be also particularly remembered for the Christmas Pageant she played for us the year we produced the large costumed Christmas Pageant Tableau. She was also the recipient of the award for "Lifetime Achievement." She was best known for her major attention to detail and love for the musical score as actually written.

More will be said and the winners announced from the "Guilda" Awards in the May issue of the *Leisureville Post*. Many people are interested in exactly how I determine the winners – it is usually based on longevity, performance on, or even off stage, and "carrying their shopping bags." Meaning the actual work involved in the creating of costumes, building props and sets as needed, time rehearsing both in the theater and also off schedule or at home.

But for now, go out, talk to your neighbors, and sell, sell, sell those tickets!!! Remember, the next time you read this article, the show will be over. So, don't let a neighbor complain to you, "Hey, I missed your show, why didn't you tell me about it?" Don't let it be said that you missed it!

Please continue to pray for our Leisureville friends who are still suffering from illness, for those who have moved away and cannot be part of our shows any longer and for all those who have gone on ahead of us, they are all still loved and very much missed.

THANK YOU to all who work so hard at having your articles sent to me in a timely manner.

If I do not have your article by the end of the eighth day of the month, we will hold them for the following month, when information is still appropriate. Thanks, *Jean Sliwa*

Before You Sign a Pre-Paid Funeral Contract, Read Between the Lines

At Scobee-Combs-Bowden Funeral Home & Crematory, we feel an obligation to caution the public and our customers when signing pre-paid funeral contracts. Unfortunately, some funeral homes and cemeteries do not protect your money, nor will they always provide a refund at customers request.

At Scobee-Combs-Bowden Funeral Home & Crematory, Boynton Beach, we guarantee:

- We will refund 100% of your monies should you decide to cancel your contract at any time. Not all funeral homes do this.
- We do not insist that you take delivery of merchandise - caskets, grave markers, vaults, urns, etc. - in the event of cancellation or death elsewhere. *Some funeral homes insist that you take delivery or lose your money.*

If you have a pre-paid funeral contract or are anticipating purchasing a contract, one of our licensed funeral directors will gladly review your contract with you at no obligation, as well as inform you of your rights as a consumer. We are also available to speak on this topic to all church groups, clubs and fraternal organizations. Call us at (561) 732-8151 to schedule an appointment or to inquire about pre-paid funeral contracts.

Are You One Of The Tater People?

Some people never seem motivated to participate, but are just content to watch while others do the work.

They are called "Spec Taters."

Some people never do anything to help, but are gifted at finding fault with the way others do the work.

They are called "Comment Taters."

Some people are very bossy and like to tell others what to do, but don't want to soil their own hands.

They are called "Dick Taters."

Some people are always looking to cause problems by asking others to agree with them. It is too hot or too cold, too sour or too sweet.

They are called "Agi Taters."

Some people can put up a front and pretend to be someone they are not.

They are called "Emma Taters."

There are those who say they will help, but somehow just never get around to actually doing the promised help.

They are called "Hezzie Taters."

Then there are those who love others and do what they say they will. They are always prepared to stop whatever they are doing and lend a helping hand. They bring real sunshine into the lives of others.

They are called "Sweet Taters."

How Did Military Trail Get Its Name?

Submitted by Bill Greve

It really was a military trail. During the Second Seminole War, the longest and costliest of the Indian wars and one of the most unpopular in U.S. history, Major William Lauderdale was leading troops of Tennessee Volunteers. After the battles of Okeechobee in December 1837 and the battles of Lockahatchee (Loxahatchee), January 15 and January 24, 1838, soldiers went on to build Fort Jupiter. They carved the trail to supply the fort.

Life Teaches Us Lessons Not Found In Books

By Charles A. Harrington

A wonderful email came over the internet to me a few weeks ago. Most times, my email is junk mail, I often do not open most of them, quickly hitting the delete button after a quick glance, but on this day, this email is what I call a day-brightener, it was different. It was rather long, typed nearly two-full pages, the theme was, "I've learned." After finishing it, I felt good and I want to share some of it with you.

"I learned that no matter how much I care, some people just don't care back and that it can take years to built up trust, but only seconds to destroy it."

"That it's not what you have in your life but who you have in your life that matters."

I starting thinking, realizing I have learned a few things over the many years that I have been on this earth, perhaps it was taken me longer to learn than the average person, but we all learn at different levels.

I've learned that:

The day you throw away the tool, or household item, that you haven't used in years, you'll need it.

The item that you paid full price for today was on sale yesterday.

Coupons are often more trouble than they're worth, and many times expire before you get to use them.

Or you forget them when they have not expired.

The shortest distance between two points is never a Walmart supermarket line.

I also learned that:

The second you pour milk on your oatmeal, the phone will often ring.

I've learned a few more things:

The truth is not always the truth. "She's not here right now," is a common fib, right up with, "You don't look like you gained a pound," and. "You haven't aged a bit in 10 years," let us not forget: "I never had sex with that woman."

That receiving a call in the early-morning hours is never a good sign.

And, no matter how much you say this will never happen to me. If you are around long enough, it will.

The FPL electric bill is always higher than what you expected.

That no two people could ever agree on what the temperature should be at the *Boston Globe*.

No matter how you try, you can't like everyone.

And, everyone can't like you.

Saying thank you is important, and not enough people do it.

That some of the best books are not always best sellers.

Some people will act rude to you for no reason.

That popularity is nice, but having friends is better.

That when you plan to get even with anyone, you are letting that person continue to hurt you.

That the words from my pastor, Father Dan Fink, gives us a wonderful reminder, when he tells us every time he ends his homily: "While we have time, let us do good."

Finally, I learned:

That the angel Clarence was absolutely correct when we said: "No man is a failure who has friends."

***Charles Harrington is a former elected union officer and retiree of the* Boston Globe.**

BICYCLE RIDERS PLEASE NOTE

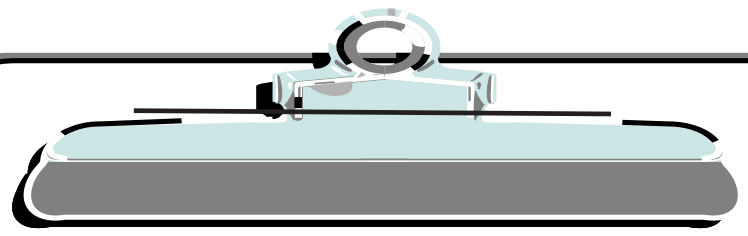
WHEN YOU ARE RIDING YOUR BICYCLE DURING THE DUSK TIME OR EARLY MORNING PLEASE BE SURE YOUR BICYCLE IS EQUIPPED WITH GOOD LIGHTING AND/OR LARGE REFLECTORS. THIS IS FOR YOUR SAFETY AS WELL AS FOR THE VEHICLE DRIVER.

PICK UP AFTER YOUR PET!!!!

Please pick up and dispose of your dog/cat's waste after its walk. We continue to find "POOPY" bags in the lakes, a result of pet owners throwing them into the storm drain, which lead directly to the lakes. And you guessed it, it then gets broadcast onto your lawns via the irrigation system.

When walking your pet, be sure to keep them on a leash. It's an ordinance in the City of Boynton Beach.

Thank you,
The Manager



NOTICE TO HOMEOWNERS

YOGA

By Moonyeen Park

There are many things simple yoga postures can do. They have a positive effect on health, they harmonize the body-mind complex, improve coordination and flexibility, increase energy, provide relaxation and improve posture and grace.

All of us suffer from the stresses and strains of modern living. If we live sedentary lives, taking little or no physical exercise, then the very poor musculature of the body leads to all kinds of aches and pains. Yoga asanas not only prevent bad posture, but the stretches which concentrate on stretching the spine to the maximum and tugging and pulling all the long muscles, provide relief from pain, and if done consistently, can lead to a pain-free existence in middle and old age.

With yoga, everything begins to work smoothly and efficiently, inside and out. All of the diseases of old age — enlarged prostate, impotence, inconsistence, senility, and lack of mobility, can be prevented by a regular practice of yoga. Yoga should be, in fact, a way of life. It is not simply curative, but has preventive effects while promoting total good health.

"Even in his sleep, man often tosses, strains and perspires, according to the rhythm of his uncontrolled dreams.

"All of this, translated in terms of human economy, means waste of biological energy. Through the nervous pathways a continuous amount of vital energy flows from the inside toward the outside, fading unused into the environment. The average man is an absolutely anti-economic machine requiring a great quantity of fuel to supply a very limited work; his muscles are engines which 'heat' both while they run and while they rest.

"This happens in the normal man, but if emotive factors interfere, the consumption of energy climbs sky-high and can go bankrupt, burning and wasting all the vital resources. How many liver upsets, stomach diseases, heart ailments, how many headaches are caused by this foolish waste of energy?"

Dr. Brena, *Yoga & Medicine*, 14-15.

IS YOUR LIFE FULFILLED?

By Joanne Panciera

Every morning, I get up with my kitty around 4:00 AM, because we are both early risers. We should have been farmers. Who knows, maybe in our previous lives. Anyhow, I have a routine, and so does my cat, Whiskers. I plan my day, make coffee in my Gevalia, check my sugar, feed Whiskers and let him out on the screened in sun porch. Then, it's time for reflection. Classical stretch and yoga are a must in my home every day, without fail. Whether I do these exercises then or later, these renew my life and spirit every day.

Now you know the first thing I always hear from people when I speak with them is they watch their weight. You know I don't care very much about my weight because I'm busy planning what I'm eating for each meal and the portion size. I do kind of follow the South Beach Diet way of life. It is pretty simple. Nothing white, except cauliflower. I do cheat sometimes because, after all, I am only human. Soups, salads, no white potatoes, only sweet potatoes, fresh vegetables, very few red meats. Whatever portions of fish, chicken, turkey. You should have smaller portions than your veggies. Don't forget those wonderful sweet potatoes and/or soup and salad. And, of course, my favorite is a tall glass of water.

If you have breakfast, a snack, lunch, a mid-afternoon snack and dinner and a small snack before bed, but not after 8:00 PM, you should be golden. You should be healthy from the inside out. No processed foods or fast food (junk), please. If you go to these places, order salads.

Did you know that the food you eat dictates what your skin looks like and how your attitude is? Maybe if you ate better foods and did a better diet and do yoga and meditate, you would be a better person overall. So, take care of your health. As far as I know, I'm on earth for a little while. It's important that we all take care of ourselves and fellow man. It is so unkind when people are rude and mean. I watch Fox TV News and I can't imagine how rude and mean some people are.

With this, I will close now, and mediate and pray to God that I won't see the rudeness, again.

See you next time.

Joanne

Bits & Pieces

By Sarah Lyons

Here we are in the month of March. I like the month of March, it is a very interesting month. We have had a lot of wars here in March, and it became known as the month of war. "Whew," I am glad it has not happened here, now. Another bit of interest is that Julius Caesar was assassinated on March 15, 44BC. Also, according to history, on March 23, 1775, Patrick Henry declared, "Give me liberty or give me death." Everyone knows that Amendment 15, to the U.S. Constitution, stating that a person cannot be denied the ballot because of race, color or religion, which was proclaimed in March 1870, and the *Star Spangled Banner* became the National Anthem on March 3, 1931.

Well, let's get away from history and go on to other things. Going on, after all, it is the month for the beginning of Spring. And, getting a fresh start in life. One of the things that I do not like is that looking out the window, and think, gosh, I think that it is about time to be doing the Spring cleaning. Well, I have time, after all, Spring is just starting, so I will start cleaning in the middle of the month. Another thing I don't like is the weather changes. One day beautiful and the next day we will have days of rain and wind. I really should not complain, we need the change so that our new fresh little flowers will start to grow.

My Irish friends will not be happy if I do not mention St. Patrick's Day. So, let us enjoy our days and use them wisely, after all, each day is our special day. Now the beautiful Irish saying; "May the road rise up to meet you, may the wind be ever at your back. May the sun shine warm upon your face and rain fall on your fields. And, until we meet again, may God hold you in the hollow of his hand." Enjoy each day, no matter what the weather hands us.

Entertainment Committee's New Year's Eve Gala

PHOTOS BY M. RICHMOND

The Entertainment Committee rang in 2020 with fabulous entertainment by the Motowners, whose high energy kept the dance floor packed all evening, and an amazing abundance of delicious food, from the jumbo shrimp cocktails to the huge antipasto salad platters followed by a great dessert buffet table and an absolutely incredible and filling breakfast egg casserole (if anyone wants the recipe, contact Sue Butchko). No one went home hungry! A lot of hard work went into making this party the success that it was. To all who helped with room set-up, food prep and clean-up, a big thank-you.

Also thanks goes out to Palermo Bakery and the realtors who donated door prizes: Duchess Bird (Caldwell Banker), Anna Quaranta (Hudson), Desireé Cornelio (Hudson), Janice Robinson (Caldwell Banker), and Laura DaCosta (Century 21).

A Happy & Healthy New Year to all. Irene Bobrowsky
